## CITY OF TUMWATER

### *Strategic and Economic Development Plans*

**Your input is needed!** The City is in the process of developing interlinked Strategic and Economic Development Plans. These documents will shape the future of our community and guide the actions of the City and its partners for years to come.

- *What is the vision for the overall desired future of the community?*
- *What is the desired future for the City's individual business districts?*
- *What kinds of jobs and industries should the City and business community endeavor to attract?*
- *What City services are most important?*
- *What quality of life improvements can the City make benefit existing and future residents and businesses?*
- *How can the City best attract tourists?*

**Help shape Tumwater's Future!**
