WETLAND PERMIT APPLICATION

APPLICATION FEE: \$200.00

PURPOSE: The City of Tumwater has adopted Wetland Management Regulations, Tumwater Municipal Code 16.28, as part of the implementation of the City Comprehensive Plan. Adoption of regulations to protect wetlands is required by the State Growth Management Act (RCW 36.70A.170). The information within this application will be used to determine how a proposed project can be accomplished in a manner consistent with the regulations.

INSTRUCTIONS: Please answer the questions as accurately and completely as possible. If you have difficulty answering any of the questions contained in this application, contact the City of Tumwater Development Services Department at: 360-754-4180 for assistance.

SUPPLEMENTAL INFORMATION REQUIRED: In addition to the wetland application, the following supplemental information must accompany the completed application:

1. A wetland boundary delineation report prepared by a qualified professional and technical scientist containing the information required under Section 16.28.140.C of the City's Wetland Protection Ordinance.
2. The applicant shall submit a letter authorizing City staff right-of-entry onto the property to perform field investigations or inspections consistent with TMC 16.28.
