

NOTICE

Due to a scheduled upgrade to our permit system, we will be unable to process permits and inspection requests from approximately 3:00 pm Monday, February 8th through Tuesday, February 9th. Any applications received during this time will be processed as soon as the upgrade is complete.

Please remember to schedule any inspections you will need for Tuesday, February 9th, by 3:00 pm on Monday, February 8th, so that the inspections may be scheduled in the system before it becomes unavailable.

We apologize in advance for the inconvenience.
