NORTH STREET RECONSTRUCTION PROJECT

ROAD CLOSURE

**Wednesday, October 28th thru Friday, October 30th, 2009
8:30 AM to 4:00 PM Each Day**

North Street will be closed to through traffic between Cleveland Avenue and Hoadly Street from 8:30 AM until 4:00 PM each day beginning Wednesday, October 28th thru Friday, October 30th.

The City of Tumwater's contractor for completion of the North Street Reconstruction project, Woodworth & Company, will be excavating and repairing some of the sanitary sewer connections to the sewer main along this section of North Street. Depending on the conditions encountered and the repairs required, the road closure could include additional days.

Local access for residents and businesses, whose only access is from North Street, will be maintained; all other traffic will be redirected to other streets.

Motorists are advised to use alternate routes via Carlyon Avenue, Cleveland Avenue or Henderson Boulevard.

For more information, please contact Tumwater Public Works at 360-754-4140.
