PAVING NOTICE – Littlerock Road

Thursday, October 28, 2010
Beginning at 5:00 am

As part of the City of Tumwater's Littlerock Road Improvement Project, the contractor, Sterling Breen Crushing, is scheduled to begin paving the intersection at Costco and the Tumwater Center Mini Mall at 5:00 am on Thursday, October 28, 2010. **Please note that paving work is weather dependent and will be cancelled if we are experiencing inclement weather conditions.**

Paving will then continue southbound on Littlerock Road towards the new roundabout at Kingswood Drive. Sterling Breen is planning to pave one direction at a time, shifting north and southbound traffic to one side while paving each lane of Littlerock Road in order to keep traffic moving as much as possible.

Buses and emergency vehicles will have priority access through the construction zone.

DELAYS SHOULD BE EXPECTED. It is recommended that local trips through the area be minimized and that alternate routes be used to the greatest extent possible.

We apologize for any inconvenience this may cause and for the early start time. Due to the extended storm forecast, we are making a concerted effort to get a paved surface in place before serious winter weather conditions set in. Your patience and cooperation are truly appreciated. Should you require additional information, please feel free to contact the City of Tumwater Public Works Department at 754-4140.

Thank you.
