## ROADWAY STRIPING

**Saturday, August 16, 2008, and  
Sunday, August 17, 2008**

Weather permitting, the City of Tumwater Public Works Department will be applying painted road striping on roadways throughout the city on Saturday, August 16<sup>th</sup> and Sunday, August 17<sup>th</sup>. Work is expected to begin at 7:00 AM and continue until approximately 5:00 PM. The work is expected to cause traffic delays at times.

We are asking for the public's cooperation in avoiding driving over freshly painted lines. The paint striping vehicle will be equipped with flashing lights and will be followed by a series of three trailing vehicles also equipped with flashing lights to help prevent drivers from driving through wet paint. Do not drive across painted lines if you see on-going striping activity.

We apologize for any inconvenience this may cause and appreciate your patience and cooperation. Should you require additional information, please feel free to contact the City of Tumwater Public Works Department at 754-4150.
