

## **Illicit Discharge Hotline**

Illicit discharges involve the storage or disposal of contaminants that may cause degradation of our water resources. Examples of illicit discharge include:

- Illegal dumping of used motor oil, paints, solvents or other household products.
- Unsafe storage of hazardous waste drums or containers.
- Spills that contaminate soils, water bodies or ground water.

To report illegal dumping in storm drains or other illicit discharges, call the City of Tumwater's 24 hour hotline listed below.

**Illicit Discharge 24 Hour Hotline**  
**360-754-4150**
