The City of Tumwater also wishes to thank Thurston County Department of Water & Waste Management staff and Public Health & Social Services Department staff for their assistance with the Business Technical Assistance program and the Stormwater Characterization Report.

This project was made possible with funding from the Centennial Clean Water Fund, administered by the Department of Ecology. We would like to thank the contract administration and financial assistance staff at Ecology, as well as stormwater program staff, especially Cindy Price, Cindy James, Mel Lick, Chris Hempleman, and Gary Kruger for all their guidance and support over the course of this beneficial stormwater program implementation project.

Dan Smith, Water Resources Specialist, prepared this report.
