Subject: WE DESERVE A WALMART!!!

We need and deserve a Walmart just like everyone else why whether ar not if you put one here in Tumwater we still will run all the way across town to spend our money at walmart instead of blowing it at a place more exspensive that is way to highly priced. so you see even if you dont put one here business will always be the same because those of us who perfer walmart prices will go out of our way to go there and if you put one in Tumwater then the people will appreciate that you care about what we deserve. you can be the good guys or the bad guys in the end because whether or not you agree in the end walmart always wins!
