My friends and family and I would love to express our full support of a Walmart here in Tumwater. As it is, we drive to Lacey for all our low cost needs but would absolutely be thrilled at the possibility of one as close as just across the freeway. (We live right near the high school) We have saved so much money by shopping there over the last few years and would be so grateful to have one in the city we love to live in.
Thank you,
The Briggs Family
