Subject: Tumwater Wal Mart

I want to let you know that I am 100% for having a Wal*Mart in Tumwater. I am a senior, still working, and would like to have the convenience/opportunity to shop Wal Mart without traversing the highway.

One of concerns I hear is that Wal*Mart would put Mega out of business. Mega is unique in it's offerings and has the best fresh produce in town. I personally wouldn't stop shopping there. I go there now, and will continue to do so.

I don't care about Albertsons, and it can go anytime.

Wal*Mart - what a coup for Tumwater, the customer, the tax base, the schools,

See what you can do to get this off the table and to the building stage.

Traffic - deal with it. This is progress, the city, and if people can't handle the traffic, take public transportation.

Thank you.
