Subject: support of Wal Mart

I definitely support the building of Wal-Mart. I do not believe it will take away from the groc stores, Fred Meyer nor Costco. Since the closing of the brewery Tumwater has lost a lot of revenue, and Wal Mart will help make up some of the revenue. Plus it will keep the residents from having to drive to the other Wal Marts.

I seem to remember when they were talking about Fred Meyer groc taking away from Albertson's & Mega & Safeway, seems like their parking lots are filled with customers. Each store here has something different.

I truly hope we do get to have Wal-Mart here. plus the revenue there will be jobs for those out of work.

Praying that all goes well and we get the store. there is no place for those of us who do needlework to buy supplies except for over in Lacey & West Olympia. Tumwater needs a place like that, and Wal Mart has craft supplies. There is plenty of room for all our stores here in our town.

Can't see the parking etc problems are any different for W Mart then for Freddies, Costco . Home depot didn't seem to make a problem for traffic at all. No matter where you go even on Capitol here in Tumwater you have traffic tie ups.
