Tumwater, WA 98501

Subject: Walmart

Gentlemen:

Tumwater does not need a Walmart store.

We are only about or less than 30 minutes from either the one at Centraila or the one at Hawks Prairie.

It would further congest Tumwater Traffic.

There are already competitive stores in the area covering the same types of merchandise.

I DO NOT WANT A WALLMART STORE IN TUMWATER.

If you are thinking of city income, find another way!!!!

Sincerely,
