In section 3.12 there are some errors that need to be corrected.

#1. 3.12.1 3rd line under "Tumwater Fire Department," "and by contract ALS ESM service to..." please strike the terms ALS ESM.

1

#2. Third paragraph " which is about 50 percent of the time." please delete this line as station two has not been open so far this year and unless there are more staff it will probably not be open this year.
