

Help your neighbors in need

The new Tumwater utility assistance program is a relief fund available to help qualified utility customers with past due water and sewer bills. The program is supported with voluntary donations from customers, businesses and community members and is administered by the Community Action Council.

Just a few extra dollars can make a difference

Make a donation by adding a little extra to your next bill payment - just specify the amount on your payment stub and write one check. Or, write a separate check and send it in with your completed donation form (on the reverse side of this flyer).
